## 8 FACULTIES 2 INSTITUTES OF TECHNOLOGY

- ◆ Law Faculty - Douai (3)
- ◆ Faculty of History and Geography  
Heritage Studies - Arras (1)
- ◆ Faculty of Foreign Languages - Arras (1)
- ◆ Faculty of Letters and Arts - Arras (1)
- ◆ Faculty of Sciences - Lens (4)
- ◆ Faculty of Sports and Physical  
Education - Liévin (5)
- ◆ Faculty of Applied Sciences - Béthune (2)
- ◆ Faculty of Economics, Management,  
Administration et Social Sciences  
- Arras (1)
- ◆ Lens Institute of Technology :  
Commerce, Management, IT,  
DigitalMediaStudies,HealthServices(4)
- ◆ Béthune Institute of Technology :  
Technologies (2)

### Multipolaire

Artois University has a student population of almost 12,500 students within its 5 campuses of the Nord-Pas de Calais region, which are : Arras, Béthune, Douai, Lens and Liévin

It is composed of 8 Faculties (UFR), 2 Institutes of Technology (IUT) and 18 Research Laboratories.

Since its beginnings in 1992, Artois University has established itself as a major contributor to local development, social mobility and professional integration.

### A University on a Human Scale

The University of Artois is a modern and dynamic institution which is in perfect harmony with the educational system, offering innovative teaching and combining the acquisition of knowledge with vocational skills.

### A Multidisciplinary University

The University offers a wide spectrum of courses, both in Initial and Further Education. Courses are well-balanced and in line with the European LMD (Undergraduate, Masters and Doctoral Studies). Courses are provided in the following fields, in close connection with the Laboratories research focuses :

- **Environment, Energy, Engineering and Nutrition**  
(Science, Technology and Health)
- **Culture(s), Heritage and Territories**  
(Arts, Literature, Languages, Human and Social Sciences)
- **Organisations, Societies and Education**  
(Law, Economics and Management, Social and Human Sciences)
- **Mathematics, NICTs and Logistics**  
(Science and Technology)

### A bold and demanding research policy

On the strength of its 18 approved Research Units, Artois University fosters and develops research excellence built around Fields of Major Interest (DIMs), in connection with national and European scientific projects.

- DIM 1. **Environmental Energy Efficiency**
- DIM 2. **Heritage, Territories and Cross-Cultural Awareness**
- DIM 3. **Reconfiguring the social fabric :  
Assessing, Explaining and Taking Action**
- DIM 4. **Artificial intelligence**

### Student life in a high quality environment

Artois University offers a friendly, stimulating student environment combining academia, culture and well-being. They are also encouraged to become involved in clubs and associations.

### A policy of international openness

Artois University has always pursued a policy of international openness. Partnerships have been consolidated with various universities and research centres worldwide (Europe, North America, South America, Asia and Africa) in the form of bilateral agreements, giving students the opportunity to take advantage of international exchange programs.
